An Additional HK\$10 Million Injected to Wharf Emergency Relief Fund to Provide Instant Support to the Needy Affected by Covid-19 Pandemic

1st June, 2020, Hong Kong — The Wharf Group announces today an additional injection of HK\$10 million to “Wharf Emergency Relief Fund” to support Hong Kong’s grass-root families who are suffering from financial hardship as a result of the Covid-19 pandemic. This initiative covers the Fund’s donation in May to the Aaron Kwok Love and Concern International Charity Fund through Harbour City, a subsidiary company of Wharf Real Estate Investment Company, and subsequent to RMB 10 million to Red Cross Society of China Hubei Branch to support the medical workers in mainland China shortly after the pandemic outbreak.

With the new injection of HK\$10 million, Wharf will allocate HK\$5 million to the Community Chest’s Anti-NCP Rainbow Fund aiming at providing a one-off cash subsidy to families who are facing serious financial difficulties due to job loss, salary cut or no-pay leave resulting from COVID-19.

Having lingered for five months, the pandemic has hammered all sectors of Hong Kong and upended people’s livelihoods and businesses. Backed by a long standing mission of “Building for Tomorrow”, the Wharf Group strives to contribute to the sustainability of the community in which we operate and to overcome the unprecedented challenges ahead with Hong Kong.
